# School Dedication

Good  
Bye

# Mrs. Byrd

We would like to take this time to recognize one of our teachers, Mrs. Byrd, who has decided to retire this year after twenty-three years of teaching in Clinton. Mrs. Byrd has taught all grades, but enjoys sixth grade the best. She has taught sixth grade for ten years. She was able to help set up the sixth grade program here in Clinton. Mrs. Byrd likes the sixth graders and the curriculum. She says it's the best thing that she has done.

Mrs. Byrd is excited for everyone in the new building. She thinks that it will be much better. Mrs. Byrd hopes she taught students to accept differences and to want to learn more.

Mrs. Byrd believes that teaching is a great profession. It takes hard work and dedication. Teaching doesn't get the recognition it deserves. Parents are less supportive now than when she first started teaching. Mrs. Byrd wishes parents realized they need to be supportive and cooperative.

She tells us that she will miss world history and the other teachers. She will also miss the students, but her six grandkids will keep her busy. Mrs. Byrd won't miss ISDS, detentions, bus duty, meetings, teaching punctuation, grading essays or getting grades in by a deadline.

Mrs. Byrd plans to travel and have a more relaxing life. She wants to look for a part-time job with no papers to take home. Mrs. Byrd will be missed by many of us. We all hope that she enjoys her time away from Clinton Jr. High.
